A MESSAGE FROM RUBY TUESDAY

At Ruby Tuesday we recognize our ultimate success depends on our talented and dedicated workforce. Our goal is to provide a comprehensive program of competitive benefits to attract and retain the best employees available. Through our benefits programs we strive to support the needs of our employees and their dependents by providing a benefit package that is easy to understand, easy to access, and affordable for all our employees. This guide will help you choose the type of plan and level of coverage that is right for you.

You can also access overviews of our benefit plans at <http://benefits.rubytuesday.com/>

All benefit elections made during the annual open enrollment are effective January 1, 2025 through December 31, 2025. Changes to your benefit elections cannot be made during the plan year, unless you experience a qualifying life event.

See next page for examples of qualifying life events.

ELIGIBILITY

ELIGIBLE EMPLOYEES

As a part-time Ruby Tuesday employee, you must enroll in your benefits within 30 days of your eligibility date or qualifying life event. We've included key employee resources in this guide to help make the decisions that best fit your particular situation.

ELIGIBLE DEPENDENTS

If you are eligible for our benefits, then your dependents are too. In general, eligible dependents include your spouse, domestic partner, and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided. See the legal notices for more information. Employees wishing to cover spouses who are eligible for benefits elsewhere will be charged a \$100 monthly premium surcharge.

WHEN COVERAGE BEGINS

Newly hired employees and dependents will be effective in Ruby Tuesday's benefits programs on the first day of the month following the date of hire beginning January 1, 2025.

OPEN ENROLLMENT

With few exceptions, **Open Enrollment is the only time of year when you can make changes to your benefits plan.** During Open Enrollment, you can:

- Add, change, or delete coverage
- Add, or drop dependents from coverage

QUALIFYING LIFE EVENTS

Family Status Change:

A change in family status is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits. Examples of some family status changes include:

- Change of legal marital status
- Change in number of dependents
- Change in employment or job status (spouse loses job, etc.)

If such a change occurs, you must make the changes to your benefits within 30 days of the event date. Documentation will be required. Failure to request a change of status within 30 days of the event may result in loss of coverage.

DENTAL INSURANCE

Brushing your teeth and flossing are great, but don't forget to visit the dentist too! Ruby Tuesday offers affordable plan options for routine care and beyond. Coverage is available from BlueCross BlueShield of Tennessee, Inc.

Please Note: It is recommended that when a course of treatment is expected to cost \$300 or more, and is of a non-emergency nature, your dentist should submit a treatment plan before he/she begins. This enables you to see what your out-of-pocket expenses will be so you are not surprised and can budget accordingly. There is also a possibility that suggested procedures may be denied, and alternative procedures approved based upon X-rays and supporting documentation.

Please refer to the summary plan description for complete plan details. Please note that you will receive a dental ID card.

401(k) RETIREMENT PROGRAM

Whether you're just starting out in your career, or you've been in the workforce for years, it's always a good time to plan for retirement. Contributing to a 401(k) account now can help keep you financially secure later in life. The Ruby Tuesday 401(k) plan provides you with the tools and flexibility you need to prepare.

WHAT IS A 401(k)?

This employer-sponsored retirement account can help build and create choices for your future self by saving money — tax-free — from your paycheck. Due to the value of compounding interest, the sooner you participate in a 401(k), the better. Eligible employees can invest for retirement while receiving certain tax advantages. Administrative and record-keeping services for this plan are provided by Principal. You may start making pre-tax contributions into the plan after six months of service.

The plan offers a convenient, tax-deferred way to save.

- **Who Can Join?**
Any employee age 21 or older who has worked for Ruby Tuesday 6 months and makes less than \$150,000 per year.
- **How Much Can You Contribute?**
On a pre-tax basis: 1% to 50% of your pay up to \$23,500 in 2025. This limit is adjusted annually each year by the IRS. You can also contribute on after-tax basis up to 10% of your gross pay or Roth after-tax basis.
- **Does Ruby Tuesday Contribute?**
There will be no company funded match at the start of 2025. This will be reviewed throughout the year and if the company reinstates a match during the year employees will be notified.
- **How Can You Join?**
Call Principal at **1-800-547-7754** or via internet at www.principal.com.

PRE-TAX VS. ROTH 401(k)

What's the difference? If you contribute to your 401(k) pre-tax, your contributions will be taken out before taxes each pay period. However, you'll have to pay taxes on the funds when you withdraw them during retirement. If you choose the available Roth 401(k), contributions will be deducted from your paycheck after taxes — so you won't pay taxes when you withdraw during retirement. Once you retire, you might be in a higher tax bracket, so contributing after taxes now could save you money in the long run.

HELPFUL TERMINOLOGY

- **Brand preferred drugs** – A drug with a patent and trademark name that is considered “preferred” because it is appropriate to use for medical purposes and is usually less expensive than other brand-name options.
- **Brand non-preferred drugs** – A drug with a patent and trademark name. This type of drug is “not preferred” and is usually more expensive than alternative generic and brand preferred drugs
- **Calendar Year Maximum** – The maximum benefit amount paid each year for each family member enrolled in the dental plan.
- **Coinsurance** – The sharing of cost between you and the plan. For example, 80 percent coinsurance means the plan covers 80 percent of the cost of service after a deductible is met. You will be responsible for the remaining 20 percent of the cost.
- **Copay** – A fixed amount (for example \$15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.
- **Deductible** – The amount you must pay for covered services before your health plan begins to pay.
- **Elimination Period** – The time between the beginning of an injury or illness and receiving benefit payments from the insurer.
- **Health Spending Accounts (HSA)** – HSAs allow you to pay for eligible health care and dependent care expenses using tax-free dollars. The money in the account stays in the account and can build year over year if it is not spent. This means you do not need to spend the money in the account before the end of the plan year.
- **Generic drugs** – A drug that offers equivalent uses, doses, strength, quality, and performance as a brand-name drug, but is not trademarked.
- **In-network** – A designated list of health care providers (doctors, dentists, etc.) with whom the health insurance provider has negotiated special rates. Using in-network providers lowers the cost of services for you and the company.
- **Inpatient** – Services provided to an individual during an overnight hospital stay.
- **Mail Order Pharmacy** – Mail order pharmacies generally provide a 90-day supply of a prescription medication for the same cost as a 60-day supply at a retail pharmacy. Plus, mail order pharmacies offer the convenience of shipping directly to your door.
- **Out-of-network** – Health care providers that are not in the plan’s network and who have not negotiated discounted rates. The cost of services provided by out-of-network providers is much higher for you and the company. Additional deductibles and higher coinsurance will apply.
- **Out-of-pocket maximum** – The maximum amount you and your family must pay for eligible expenses each plan year. Once your expenses reach the out-of-pocket maximum, the plan pays benefits at 100% of eligible expenses for the remainder of the year. Your annual deductible is included in your out-of-pocket maximum.
- **Outpatient** – Services provided to an individual at a hospital facility without an overnight hospital stay.
- **Primary Care Provider (PCP)** – A doctor (generally a family practitioner, internist, or pediatrician) who provides ongoing medical care. A primary care physician treats a wide variety of health-related conditions.
- **Reasonable & Customary Charges (R&C)** – Prevailing market rates for services provided by health care professionals within a certain area for certain procedures. Reasonable and Customary rates may apply to out-of-network charges.
- **Specialist** – A provider who has specialized training in a particular branch of medicine (e.g., a surgeon, cardiologist, or neurologist).
- **Specialty drugs** – A drug that requires special handling, administration, or monitoring. Most can only be filled by a specialty pharmacy and have additional required approvals.

THE WOMEN’S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following in-network deductibles and coinsurance apply:

NEWBORNS ACT DISCLOSURE - FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a State CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- coverage is lost under Medicaid or a State CHIP program; or
- you or your dependents become eligible for a premium assistance subsidy from the State.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact the person listed at the end of this summary.

PATIENT PROTECTION MODEL DISCLOSURE

The Ruby Tuesday Operations LLC Health Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact BlueCross BlueShield of Tennessee at (800)565-9140.

For children, you may designate a pediatrician as the primary care provider.

MICHELLE’S LAW DISCLOSURE

Under the ACA, dependent children are covered by the group health plan until age 26. The Ruby Tuesday Operations LLC Health Plan extends dependent coverage beyond the ACA requirements, to age 26, so long as the child is covered as a student. If your child has extended coverage as a student but loses

their student status because they take a medically necessary leave of absence from school your child may continue to be covered under the plan for up to one year from the beginning of the leave of absence. This is available if, immediately before the first day of the leave of absence, your child was (1) covered under the plan and (2) enrolled as a student at a post-secondary educational institution (includes colleges and universities).

To obtain more information, contact the person listed at the end of this summary.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

RECEIVE INFORMATION ABOUT YOUR PLAN AND BENEFITS

- Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

CONTINUE GROUP HEALTH PLAN COVERAGE

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called "fiduciaries" of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants.

No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

ENFORCE YOUR RIGHTS

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 per day, until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

ASSISTANCE WITH YOUR QUESTIONS

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

IMPORTANT NOTICE FROM RUBY TUESDAY ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Ruby Tuesday and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

2. **Ruby Tuesday has determined that the prescription drug coverage offered by the Cigna and Kaiser CA plan(s) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current Ruby Tuesday coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current Ruby Tuesday coverage, be aware that you and your dependents will be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Ruby Tuesday and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE ...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Ruby Tuesday changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE ...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit **www.medicare.gov**
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at **www.socialsecurity.gov**, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled

in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

NEW HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Form Approved
OMBNo.1210-0149
(expires 6-30-2024)

PART A: GENERAL INFORMATION

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered by your employer, please check your summary plan description or contact.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Ruby Tuesday	4. Employer Identification Number (EIN) 63-0475239	
5. Employer address 210 Simmons Street	6. Employer phone number N/A	
7. City Maryville	8. State TN	9. Zip code 37801
10. Who can we contact about employee health coverage at this job? Benefits Administration		
11. Phone number (if different from above) N/A	12. Email address benefitsadministration@rubytuesday.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☒ All employees. Eligible employees are:

Full Time & Part Time employees

- With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

Spouse, Domestic Partners, Children up to age 26, Children who are mentally or physically unable to care for themselves.

☒ If checked, this coverage meets the minimum value standard*, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.

- An employer - sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36 B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
